4. Rule to add more "other" categories under vegetable garden. After discussion it was agreed upon to add 4 other categories. Katie Stott made the motion and seconded by Nicole Beck. Motion passed. Also in the rule change there was a complaint of vegetables being thrown out at the end of fair that were still good. Discussion was had and we need to come up with a way to mark vegetables if a member wants to take home. It will be the members responsibility.
5. Rule change was submitted for getting better judges at fair. It was decided that this was not a rule change. There is always a call for names of judges for judging at fair. If you have suggestions for judges to give names to Roni. Also, we will try and confirm with judges the week before they judge.
6. The rule change was for GENERAL Photography. That photos would be entered on black and white foam board that is 1-2 inches larger than the photo. And all photos should be labeled on the back with class and div. This is so photos would be judged over the matting and framing. Stephanie Johnson and seconded by Jodie Drange. Motion passed
7. Ended up being combined with rule 6. This was to add the category for Special display under general photo one in color and one in black and white. This category will include matting, frame, on metal, on furniture, ect. Motion passed under number 6.
