

Dept N- post fair minutes 9-6-18

Meeting called to order by Roni Baker

Fair:

Comments on **Schedule**

- Archery Shoot: tough to have on Monday, Tony Neil adjusted schedule to accommodate other shows, Leaders okay it going longer to adjust to kids schedules, Maybe set up a time schedule for next year.

Comments on **Awards**

- Liked having in the area

Comments on **Showcase**

- Plenty of room in Dept N, liked having there

Comments on **Entries**

- Check your entry form when you get it emailed to you to make sure you got everything entered. Entries can be added to by the deadline.
- Need to make some way to make sure that 4Hers don't sign up in open
- Lots of money in late fees this year (26 kids- \$1300)

Comments on **Judging day**

- Green best of class ceramic ribbons left the judging area
- Photo: judges liked judging one photo level only, photos won in both project and general category, may need to add a rule explaining what photos can be framed or should be on foam core
- Seen a lack of dressing up for judging day. Need to remind kids that this is an interview
- Need to work on schedule for the second morning group as they can't get judged in time before judges take break
- Had some new judges that did real good, one foods judge won't be back, discussion on judges expert level. Hard when judges cancel at the last minute

Comments on **Club Booths**

- Fire marshal came in and said we cant hang stuff unless it has fire retardant, looking more into this for next year
- May take the competition part out of club booth judging due to backlash from clubs

Comments on **clerks**

- People liked the clerks and found them to be helpful
- Clerks strict in ice cream booth but it was noted that they need to be so we don't get in trouble with food inspector

Comments on the **ice cream booth**

- Need more adult aprons
- Made \$10,000

Comments on **Check Out**:

- Need to make sure 2 people checking people out and easy to read signs so people get into the right line to check out

Buy a piece of 4H

- Make sure thanks are sent and let the office know

Shooting Sports

- Trainings coming up the end of the month in Dillon
- Would like us to hold us a training in the spring

Make it and take it:

- Need to start planning workshops
- Try not to have them all be craft related and maybe more project related

4H Calendar

- Working on it
- Let office know of any dates that you want added
